James Duane, Director

To: Parks & Recreation Facility Users
From: James Duane
Date: 3/18/2020
Subject: Parks & Recreation Programs and Facility Use

The Westford Board of Selectmen and Town Manager have been closely monitoring information and guidance related to the current Coronavirus situation. At their meeting on 3/17/20, in accordance with Governor Baker's limit on group gatherings, the Board of Selectmen voted to keep all town athletic facilities closed to organized group use until 4/7/20. This decision will be reevaluated at the upcoming Board of Selectmen meeting on 4/7/20. During this time, the Westford Parks & Recreation Department will refrain from issuing any use permits for our facilities.

In attempt to help minimize the potential impacts of the COVID-19, we encourage everyone to follow current public health guidance related to social distancing and group gatherings when accessing other indoor/outdoor facilities. For more information on current guidelines, please visit the Westford Health Department website at <https://westfordma.gov/215/Health-Department>.

Information is changing rapidly. Our department will continue to monitor and adjust our response accordingly, in addition to providing updated information as it becomes available. We appreciate your patience and understanding.

Please feel free to contact our office at 978-692-5532 for additional information.
